## A PRODUCT

OF:

### Specifications

#### **14x17 EZ Guide**

##### **Single Handle**

**Length: 17" x 22" (L x W)**

##### **Dual Handles**

**Length: 17" x 24" (L x W)**

##### **Triple Handles**

**Length: 19" x 24" (L x W)**

**\* All models weigh under  
7 lbs**

**\* Includes 1 Year Warranty**

The EZ Guide holder is the most solidly constructed and cost effective "Standing Feet" image protector on the market. The EZ Guide allows X-ray exams to be performed on patients. The EZ Guide is ideal to use for Weight Bearing and Podiatry exams on patients. The EZ Guide offers protection for your Radiology Investments and reduces possible injury to the Radiology Technologist.

The **EZ Guide** is:

#### **Solidly Constructed**

- **Single, Dual, or Triple handles** provides the support needed to position the cassette holder underneath the patient and carry it easily
- Protects your **X-ray Cassettes, CR Cassettes, and DR Wireless and Wired Detectors** from **damage, liquids, scratches and stains** by laying them directly on the ground
- Built with **clear Lexan** enabling the ability to see the image field of view at all times
- Tested to withstand **750 lbs**

## **Cost Effective**

- **14x17 EZ Guide** accommodates most **14x17** film, CR cassettes and DR Wireless and Wired detectors
- **10x12 EZ Guide** accommodates most **10x12** film and CR cassettes
- **24x30 EZ Guide** accommodates most **24x30** film and CR cassettes
- Can be used for "**Conventional**" and "**Digital**" Radiography
